on this subject, and at this time to represent to this Government the need for aid to our new Veda Pathasala. He promised to persuade the Swamigalu to give some more contribution to the Pathasala.

4 This Swamiji has therefore a difficult time. The Swamigalu is a very able & learned man and his ambition to have a Pathasala attached to his matt is no doubt a very legitimate one; but a pathasala in one out of the place like Kudli or Koppalli is far from producing men of the right sort ~~of the second~~ as the one at Bangalore or Mysore can do

It was at the instance of Govt in the Edn dept that the Mag Supt wrote to a No of Madhadhipatis, inviting their contributions towards the encouragement of Sanskrit learning & in some measure to help Govt to organise the Sanskrit Colleges at Bangalore & Mysore at a heavy cost. Only a very few Madhadhipatis responded, among whom was the late High Priest of the Kundi Srigiri Matt, whose offer of the Annual Tandrik grant & the grant of certain Schp's in the two Colleges was accepted & his recommendations ~~dated 8.8.25~~ recd through the Mag Supt Vaikuntham in Govt No. 2057-4 Edn 193-18-9 & 27.8-25. 41 The present Swamipalu succeeds to the assets and liabilities of his predecessor, and I do not know how he can question the grant made by his Guru. The amount involved, namely, about Rs.70 per month is not after all of much consequence to Government: but it seems undesirable to ~~permit~~ countenance the Swamipalus ~~to annulment of~~ the acts of his predecessor.

To

B. Srinivasa Iyengar, Esq., B.A., B.L.,

Secretary to the Government of

His Highness the Maharaja of Mysore,

Revenue Department.

Sir,

With reference to your letter No.730/Muz. dated 12th December 1925 re the contribution paid by the Sri Kudli-Sringeri Matha for paying scholarships to certain students, I have the honor to forward herewith copy of letter No.57 dated 1-3-26 together with a copy of the resolution of the Advisory Committee, Sri Chamarajendra Veda -- Maha Patasala received from the Chairman expressing their views in the matter.

Of the amount contributed by this matha, Rs.432-0-0 goes to the Maharajas Sanskrit College, Mysore, Rs.216-0-0 to the Sri --- Chamarajendra Sanskrit College and the balance of Rs.192-0-0 to the the Veda Maha Patasala. By the contemplated withdrawal of the --- contribution the first two Institutions will not be bit hard as the resources at their disposal are ample but the Veda Patasala will -- be seriously inconvenienced as the amount allotted to it-though -- small is going a great way in affording relief to a number of needy students I am in agreement with the views expressed by the committee and beg accordingly to recommend that the Swamigalu may kindly be moved for the continuance of the grant so far at least as the Veda Patasala is concerned. As observed by Government in another --- connection the Swamigalu cannot be compelled to continue the ---- contribution but the immense benefits accruing to the students of the Veda Patasala may be prominently brought home to the Swamigalu. As, however, a communication to the Swamigalu embodying the above views has already gone from the Secretary to the Committee and as

there

there was no express direction for me to consult the Swamigalu, I have not written to him confirming the Secretary's Vignapana Patrika as suggested by the Committee. If Government so desire I shall place myself in communication with the Swamigalu and report the result in due course.

The Swamy's Srimukha received with your letter is returned.

I have the honor to be,

Sir,

Your most obedient servant,

Sir,

Referring to your letter No.1349/M.F.277-25-4 dated 23rd April 1926, in the matter of the Sri Kudli-Sringeri matha contribution towards the grant of scholarships, I have the honor to state that -- as desired by Government I placed myself in communication with His Holiness the Swamigalu for the continuance of the contribution for - the grant of scholarships to the students of the Veda Maha Patasala and to submit herewith in original Srimukha No.30 dated 26th May 1926 received from the Swamigalu in the matter.

2. The Swamigalu while admitting the propriety of extending help to the Veda Maha Patasala requests that as the cash grant is meant primarily for paditara and Deeparadhane expenses and as funds for the maintenance of the Veda Patasala opened in the matha are required -- urgently, the amount may be set free.

3. As already observed by Government the contribution made by this and other mathas being purely valuntry, Government cannot compel their payment by the mathas concerned. In view of the above and also of the circumstances explained in the Srimukha, I am of opinion that the liability of the matha to contribute Rs.840/- annually may be waived and the full amount of tasdik grant made available from the current official year, viz., 1925-26. Pending the disposal of Srimukha -- dated [illegible] ——— no adjustment towards the -- scholarship fund has been made in respect of the contribution -----

contribution payable for the year 1925-26 and the full amount of the tasdik is available for payment to the matha.

Sir,

With reference to your letter No.136/M.F.277 -25 dated 24th July 1926 in the matter of the contribution payable by the Sri -- Kudli Sringeri Matha for certain scholarships, I have the honor to state that no scholarships from this contribution were paid in the Mysore and Bangalore Sanskrit Colleges during the year 1925-26, but in the case of the Veda Maha Patasala at Bangalore, payment at the rate of Rs.16/- a month was made till the end of March 1926 from -- out of the unspent amounts of previous years. Payment to the -- Patasala has been discontinued from 1st April 1926 also.

2. The amount, viz., Rs.36/- a month allotted to the Mysore -- Sanskrit College was meant for 4 scholarships of the value of Rs.9 each for students studying Adwaita Vedanta . Similarly the sum of Rs.34/- allotted to the Bangalore Sanskrit College was meant for (a) Two scholarships of 9/- each for students studying sahitya and (b) two scholarships of Rs.8/- each for students studying Krishna Yajurveda. After the separation of the Veda classes from the Bangalore Sanskrit College, the latter amount was transferred to the Veda Maha Patasala. Scholarships from Government funds are given for the study of the subjects for which the matha scholarships were meant and having regard to the large provision made in the previous and current year's budget for scholarships in the --

2. The rule in the Mysore College seems to be to award scholarships to all students and continue the same till their attendance and progress are satisfactory. From Appendix BBB to the budget estimates of 1926-27 (Page 173) it will be seen that 15 Scholarships are tenable in the College department, 25 in High School Department and 36 in Primary School Department and these are distributed according to the needs of each branch of study at the time of awarding them. Thus it will be seen that the withdrawal of the matha contribution will not adversely affect these Institutions or the number and value of Government scholarships tenable therein.
